MAIN PARAMETERS

Light: LED
Compressor: Donper
Thermostat: Angel
Refrigeration Method: Air cooling
Defrost Method: Automatic
Refrigerant: R404a/R290
Glass: Double-layer tempered insulating glass, rear-opening front glass,
three-layer electric heating wire atomization

CUSTOMIZABLE ITEMS

- Can make as heating cabinet, temperature 30~70°C
- Optional marble base
- Optional stainless steel material
- Customizable product color, plug and voltage frequency

FEATURES

- LED light in cabinet, no blind spots in the space, and outstanding product display effect.
- The cabinet is easy to clean and hygienic. Powder-coated galvanized sheet exterior surface makes the cabinet beautiful and elegant.
- Adjustable shelves, make better use of the space inside the cabinet to meet the placement needs of different products.
- Four side transparent glass, transparent display effect good
- Suitable for storing fruit drinks, cream cakes, etc.

Model

AC400
AC600
AC800
AC1000

Size

900*670*1190
1200*670*1190
1500*670*1190
1800*670*1190

Volume

270L/360L/450L/540L

Temperature

0~8°C

Voltage/Frequency

220V/50HZ; 110V/60HZ; 220V/60HZ

Additional Information

All Dimensions shown in Millimetres (mm) unless otherwise stated. Dimensions and features are subject to change. Please obtain current technical information prior to order confirmation.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or Shipped.
