REFRIGERATION

Safety

Stable product performance, safer food preservation

Energy Friendly

From design to production, Create is committed to the application of environmentally friendly refrigerants and new energy-saving materials in products, pursuing high efficiency and energy conservation, and leading a green lifestyle.

Environmental Friendly

Advocate green technology and commit to the path of sustainable development; Apply the concept of green environmental protection to design, materials, energy efficiency, and engineering.

AVAILABLE COLOURS

RAL9005; GN150A; GL180A; GY070A;
MW201T; GL205A; RAL9003; RAL9010

ENHANCED
ENERGY EFFICIENCY
VERSATILITY

MAIN PARAMETERS

Light: LED/6500K 24V
Compressor: Sanyo/Secop/Embraco
Thermostat: Hkreco/Elitech/Dixell
Refrigeration method: Air cooling
Air cooling: Automatic
Fan: EBM
Refrigerant: R404a/R448a/R290

CUSTOMIZABLE ITEMS

- Standard sheet metal shelves, replaceable hooks, fruit and vegetable baskets
- Optional mirror side panels and sheet metal side panels
- Customizable light box painting
- Customizable product color, plug and voltage frequency

FEATURES

- The cabinet is easy to clean and hygienic. Powder-coated galvanized sheet exterior surface makes the cabinet beautiful and elegant
- The air speed and air volume in the cabinet are more uniform, and the insulation layer is 40mm, which prevents the loss of cooling capacity, increases the cooling capacity and ensures the comprehensive energy consumption ratio of the product.
- Noise is controlled at 45 decibels. Solved the problem of high noise of the whole machine.
- Brand new LED lighting, 6500K white light display, no dead space in the space, and outstanding product display effect.
- The product is suitable for supermarkets and convenience stores to store vegetables, yogurt, ham, cakes, desserts and other refrigerated foods.
