Safety

Stable product performance, safer food preservation

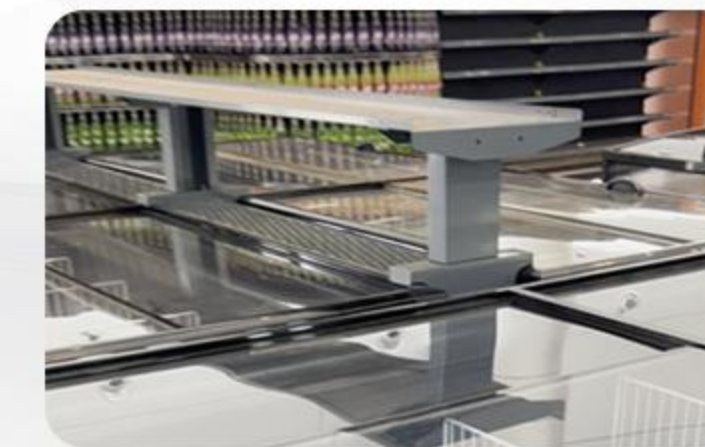

Energy Friendly

From design to production, Create is committed to the application of environmentally friendly refrigerants and new energy-saving materials in products, pursuing high efficiency and energy conservation, and leading a green lifestyle.

Environmental Friendly

Advocate green technology and commit to the path of sustainable development; Apply the concept of green environmental protection to design, materials, energy efficiency, and engineering.

AVAILABLE COLOURS

RAL9005; GN150A; GL180A; GY070A;
MW201T; GL205A; RAL9003; RAL9010

ENHANCED
ENERGY EFFICIENCY
VERSATILITY

MAIN PARAMETERS

Light: LED/6500K 24V

Compressor: Secop

Thermostat: Elitech/Hkreco

Refrigeration Method: Static cooling

Defrost Method: Automatic

Fan: EBM

Refrigerant: R404a/R448a/R290

CUSTOMIZABLE ITEMS

- Optional variable frequency compressor unit
- Air cooling optional with same appearance
- Optional stickers
- Customizable product color, plug and voltage frequency

FEATURES

- The interior space is large and the display area is spacious
- The static cooling system has sufficient cooling capacity to ensure the overall energy consumption ratio of the product.
- The imported compressor has stable performance, good cooling effect, and the noise is controlled at 55 decibels, which solves the problem of high noise of the whole machine.
- Brand new LED lighting, 6500k white light display, no blind spots in the space, and outstanding product display effect.
- The product is suitable for the freezing needs of quick-frozen food, meat, ice cream, etc. in supermarkets, convenience stores, etc.

Model

ZW1.9CE(End)

ZW1.4C

ZW1.8C

ZW2.1C

ZW2.5C

Size

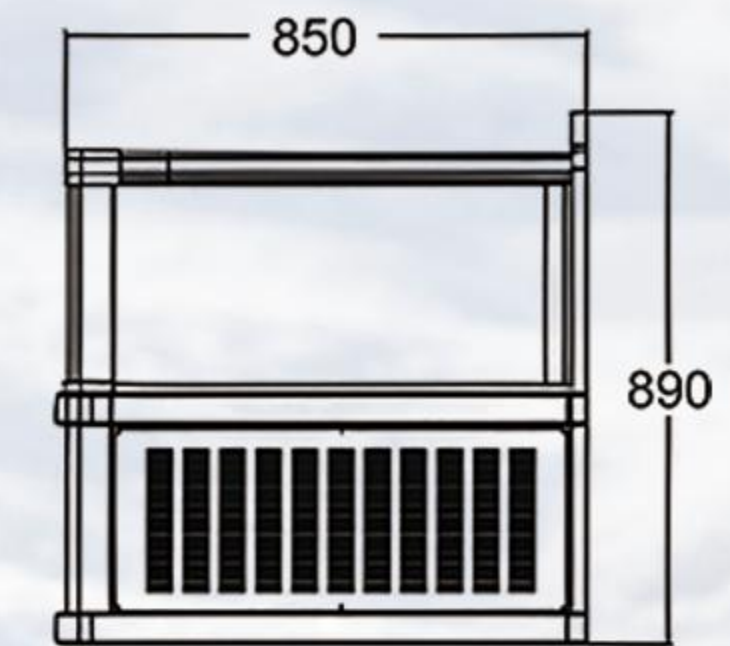

1900*850*890

1480*850*890

1880*850*890

2100*850*890

2500*850*890

Volume

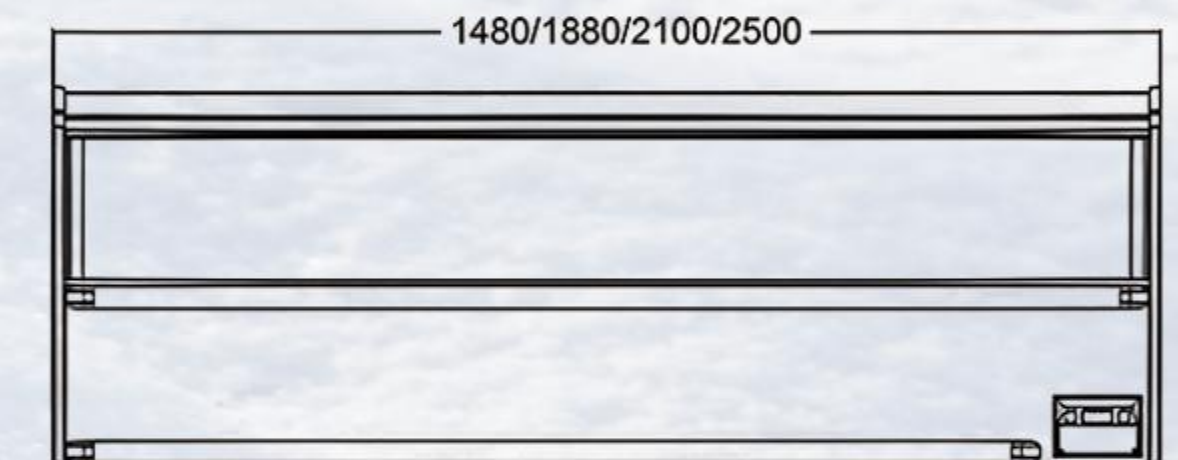

835L/595L/678L/840L/850L

Temperature

-18~-22°C

Voltage/Frequency

220V/50HZ; 110V/60HZ; 220V/60HZ

Additional Information

All Dimensions shown in Millimetres (mm) unless otherwise stated. Dimensions and features are subject to change. Please obtain current technical information prior to order confirmation.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or Shipped.
