

Overhead Compressor And Light Box Glass Door Freezer & Chiller-Plug In

www.createrefrigeration.com

Safety

Stable product performance, safer food preservation

Energy Friendly

From design to production, Create is committed to the application of environmentally friendly refrigerants and new energy-saving materials in products, pursuing high efficiency and energy conservation, and leading a green lifestyle.

Environmental Friendly

Advocate green technology and commit to the path of sustainable development; Apply the concept of green environmental protection to design, materials, energy efficiency, and engineering.

AVAILABLE COLOURS

RAL9005; GN150A; GL180A; GY070A;
MW201T; GL205A; RAL9003; RAL9010

ENHANCED
ENERGY EFFICIENCY
VERSATILITY

MAIN PARAMETERS

Light: LED/6500K 24V
Compressor: Secop/Donper
Thermostat: Hkreco/Elitech
Refrigeration method: Air cooling
Air cooling: Automatic
Fan: EBM
Refrigerant: R404a/R448a/R290

CUSTOMIZABLE ITEMS

- Standard grid laminate, Optional separable beverage-specific grid layer tray, sheet metal layer plate
- Customizable light box painting
- Customizable product color, plug and voltage frequency

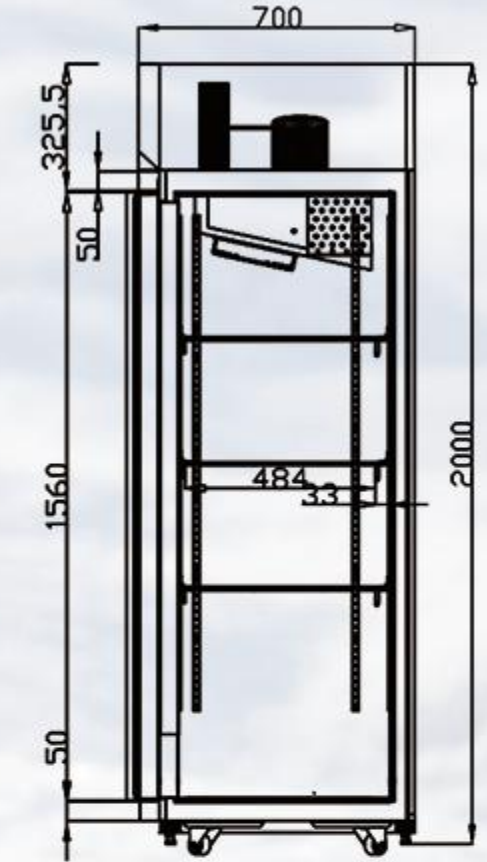

FEATURES

- 5-layer tray, large internal space and spacious display area.
- The air speed and air volume in the cabinet are more uniform, and the insulation layer is 50mm, which prevents the loss of cooling capacity, increases the cooling capacity and ensures the comprehensive energy consumption ratio of the product.
- The high-efficiency compressor meets the cooling capacity needs of this product.
- Brand new LED lighting, 6500k white light display, no blind spots in the space, and outstanding product display effect.
- The product is suitable for supermarkets and convenience stores to store beer drinks, fruits and vegetables, cakes, desserts, meat and other refrigerated foods.

Model

LC-0.6T	LC-0.6FT	680*700*2000
LC-1.2T	LC-1.2FT	1250*700*2000
LC-1.8T	LC-1.8FT	1875*700*2000
LC-2.5T	LC-2.5FT	2500*700*2000

Size

Volume

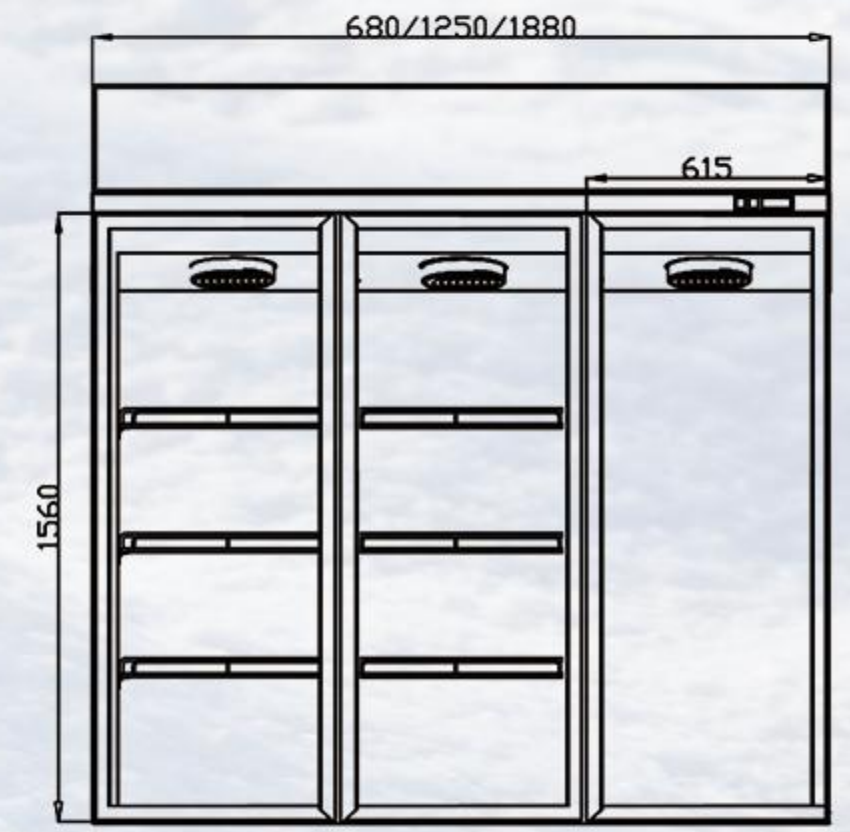

360L/810L/1260L/1700L

Temperature

0~8°C & -18~-22°C

Voltage/Frequency

220V/50HZ; 110V/60HZ; 220V/60HZ

Additional Information

All Dimensions shown in Millimetres (mm) unless otherwise stated. Dimensions and features are subject to change. Please obtain current technical information prior to order confirmation.

NOTE: We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or Shipped.
