Create  
REFRIGERATION

## Safety

Stable product performance, safer food preservation

## Energy Friendly

From design to production, Create is committed to the application of environmentally friendly refrigerants and new energy-saving materials in products, pursuing high efficiency and energy conservation, and leading a green lifestyle.

## Environmental Friendly

Advocate green technology and commit to the path of sustainable development; Apply the concept of green environmental protection to design, materials, energy efficiency, and engineering.

## AVAILABLE COLOURS

RAL9005; GN150A; GL180A; GY070A;  
MW201T; GL205A; RAL9003; RAL9010

## MAIN PARAMETERS

Compressor: Secop Inverter Compressor  
Dixell, Matching With Inverter  
Fan: EBM  
Glass: LOW-E  
Open Way: Push And Pull Left And Right  
Led Light  
Evaporator: Copper Tube  
Color/Plug: Customized  
Voltage Frequency: 230V/50HZ  
Gas: R290

## CUSTOMIZABLE ITEMS

- Optional variable frequency compressor unit
- Optional stickers
- Customizable product color, plug and voltage frequency

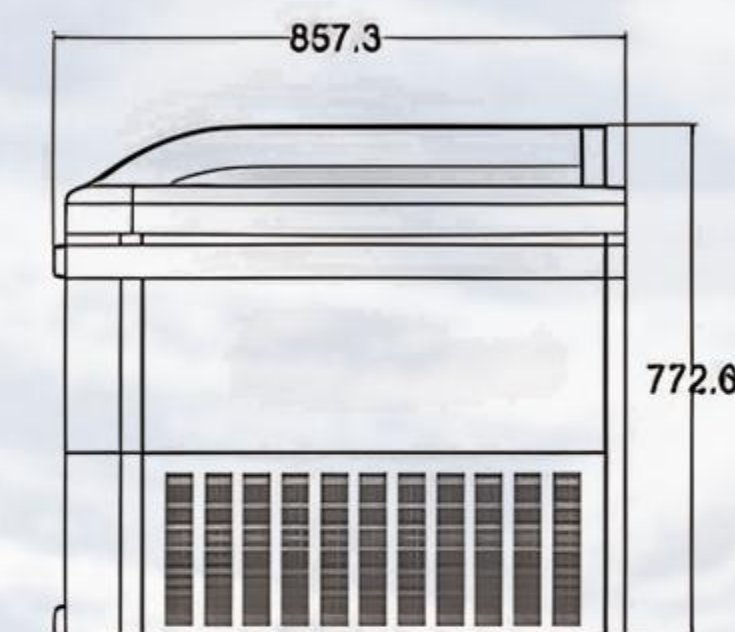

## FEATURES

- The interior space is large and the display area is spacious
- The static cooling system has sufficient cooling capacity to ensure the overall energy consumption ratio of the product.
- The imported compressor has stable performance, good cooling effect, and the noise is controlled at 55 decibels, which solves the problem of high noise of the whole machine.
- Brand new LED lighting, 6500k white light display, no blind spots in the space, and outstanding product display effect.
- The product is suitable for the freezing needs of quick-frozen food, meat, ice cream, etc. in supermarkets, convenience stores, etc.

## Model

|               |              |
|---------------|--------------|
| ZD1.85EM(End) | 1850*850*800 |
| ZD1.85M       | 1850*850*800 |
| ZD2.1M        | 2100*850*800 |
| ZD2.5M        | 2500*850*800 |

## Size

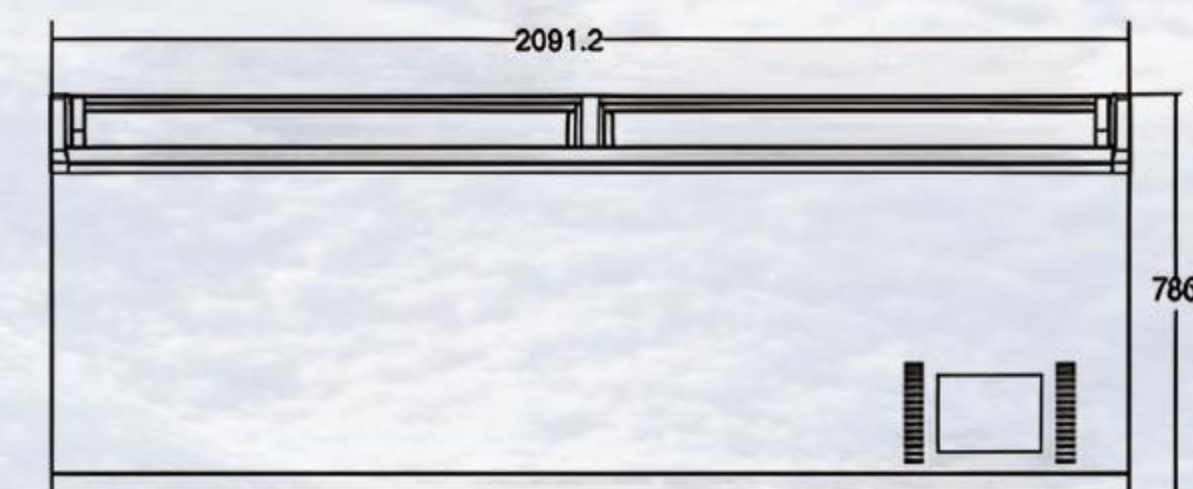

## Volume

678L/678L/755L/820L

## Temperature

-18~-22°C

## Voltage/Frequency

220V/50HZ; 110V/60HZ; 220V/60HZ

### Additional Information

All Dimensions shown in Millimetres (mm) unless otherwise stated. Dimensions and features are subject to change. Please obtain current technical information prior to order confirmation.

**NOTE:** We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions or replacements for equipment previously sold or Shipped.
